Liam Condon

Member of the Board of Management of Bayer AG

(Biography)

Liam Condon has been a member of the Board of Management of Bayer AG and President Crop Science Division, headquartered in Monheim, Germany, since January 1, 2016. He is also responsible for the regions Latin America and Africa.

Condon was born in Dublin, Ireland, on February 27, 1968. He studied international marketing and languages at Dublin City University and at the Technical University of Berlin. As well as English and German, he also speaks Gaelic, French, Japanese and Mandarin (Chinese).

After graduating, Condon joined the former Schering AG and held various sales and marketing positions in the gynecology business in Germany. He then served five years as head of a business unit in Osaka, Japan. On his return to Germany, Condon became Regional Marketing and Medical Director for the Asia-Pacific and Middle East regions at Schering in Berlin. In February 2005, he was appointed Managing Director of Schering in China.

Following Bayer's acquisition of Schering, Condon was named Vice President of Bayer HealthCare China in November 2006. Between 2007 and 2009, he was Managing Director of Bayer HealthCare and General Manager of Bayer Pharma in China. In January 2010, Liam Condon was appointed Managing Director of Bayer HealthCare in Germany and country representative for Bayer Schering Pharma in Germany. From December 1, 2012, until his appointment to the Board of Management of Bayer AG, Condon was Chairman of the Bayer CropScience Executive Committee

Since 2016 Condon is a member of the Governor's Panel for Consumer Industries at the World Economic Forum and since September 2017, Condon is also the Chairman of the Board of Directors of CropLife International, the R&D based agricultural industry association.

He is married and has two sons.
